Technical drawing of a drum handling system. The drawing shows a vertical support structure on the left, consisting of a central column with two horizontal arms. Each arm is equipped with a chain and a hook. A horizontal beam is mounted on the central column, and a winch mechanism is attached to it. Three large drums are arranged in a triangular pattern on the right. The drums are labeled "Ø 580 DRUM". The entire arrangement is mounted on a "1200 PALLET". The drawing includes various dimension lines and labels, such as "1200 PALLET" and "Ø 580 DRUM".
